

INSTRUMENT NUMBER NSWC 05/095

CIVIL AVIATION REGULATIONS 1988
CIVIL AVIATION ORDERS

APPROVAL TO ACT AS AN APPROVED AGRICULTURAL PILOT

David Alexander BRAID, holder of Commercial Pilot Licence No. 188361, is hereby appointed as an approved agricultural (helicopter) pilot in accordance with CAO 40.6 paragraph 13.1, for the purpose of:

- (a) the conduct of initial and operational flying training in accordance with the syllabus detailed at CAO 40.6 Appendix III;
- (b) direct and indirect supervision required by CAO 40.6 paragraph 7.3.

Mr. Braid's approval for initial and operational flying training is valid for two years subject to him having obtained a minimum of 100 hours on agricultural operations during the previous 12 months and the satisfactory completion of a flight test.

Approval for direct and indirect supervision will be renewed with **Mr. Braid's** agricultural pilot (helicopter) rating.

Attention is drawn to the requirement to certify in the pilots logbook when the periods of supervision have been completed and notify the Authority in writing in accordance with CAO 40.6 Appendix V.

Unless suspended, cancelled or otherwise varied, this approval shall remain valid provided **Mr. Braid** remains in the employment of **Eagle Helicopters Pty Ltd** and holds a Class 1 Agricultural Pilot (helicopter) Rating.
